Proofreading • Copy-editing • Substantive Editing • Redrafting • Writing

Only the very best editors are good enough to touch your documents, and we match your subject matter with the editors that matter.

Style, clarity, purpose and punch. Spit and polish. If you need any of these, we've got 'em. Drawing on our 30+ years of experience in a variety of fields, from international trade to intellectual property, we are uniquely positioned to add what is missing to a text, or remove what you don't need.

Our areas of strength:

- Corporate communications
- Sales literature
- Ad copy
- Website content
- Departmental communications
- Ministerial correspondence
- Consultants' reports
- Personal correspondence
- Legal documents
- Intellectual property

If you feel that you could use our skills to bring your texts to the peak of perfection, give us a call or e-mail us at consulting@rainbowtranslationservices.com.
